PRESIDENT: Senator DeCamp.

SENATOR DeCAMP: I move the bill be advanced.

PRESIDENT: I didn't hear the motion, Senator.

SENATOR DeCAMP: I move the bill be advanced.

PRESIDENT: You've heard the motion. Would you ....

CLERK: You want me to report the vote on this?

PRESIDENT: Yes, please.

CLERK: 29 ayes, 15 nays on the last motion, Mr. President.

PRESIDENT: Amendment is adopted. There's been a request for a machine vote on the advancement of the bill. The question is shall the bill be advanced.

CLERK: I have a motion to bracket, Mr. President.

PRESIDENT: Senator DeCamp has already moved to advance the bill. The motion to bracket is in order.

CLERK: I move to bracket LB 204 until Wednesday, January 14th, and print the bill with all amendments as the bill is now before us, before we advance the bill. Signed, Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body. If you look in front of LB 204, on your Bill Book, you'll find about four or five amendments to the bill. What I'm curious to know right now is, without sitting and trying to apply those amendments to the bill within two or three minutes time here, I would suggest that we actually have this bill printed up for us like it is now, so that we know the exact form it is in now before we actually advance the bill. For that reason I'm asking to bracket it until Wednesday, to give the Bill Drafting Office time enough to apply the amendments, give it to us in the proper form so we can see what the devil we're advancing before we do it. Thank you.
